The TITAN Remote Speaker Microphone MM50

THE TITAN REMOTE SPEAKER MICROPHONE MM50

With two large Push-To-Talk buttons, enhanced control buttons and IP67 protection rating, the Titan MM50 is the must-have Remote Speaker Microphone for first responders. The Nexus and 3.5mm jack sockets makes headset integration easy and is the ideal solution for users needing to connect helmet audio systems with a portable radio.

Volume +/- and loudspeaker mute side buttons

Large side PTT and 3,5mm listen only jack socket

Part number: MM50
