

TITAN HUC1 Firecomm Headset

THE TITAN FIRECOMM HUC1

is an ideal helmet communication unit for Dräger HPS6200 and HPS7000 helmets. The HUC1 also fits with MSA F2-XTREM helmets. The HUC1 comes with a coiled cable and a nexus TP120 connector that fits into Titan's portfolio of Remote Speaker Microphones and Push-To-Talk units.

THE HUC1 COMES IN DIFFERENT CONFIGURATIONS:

1. Listen Only – Left or right ear
2. Loudspeaker and microphone left or right ear

Here seen installed in MSA F2-XTREM Helmet.

Part number:

HUC1
